Operating Millage Renewal Proposal

This proposal renews millage and will allow the school district to levy its authorized operating millage rate on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Orchard View Schools, Muskegon County, Michigan, be increased by 17.8114 mills (\$17.8114 on each \$1,000 of taxable valuation) for a period of 4 years, 2026 to 2029, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2026 is approximately \$3,130,953 (this is a renewal of millage that expired with the 2025 tax levy)?
